Mr. Jim Olivier:

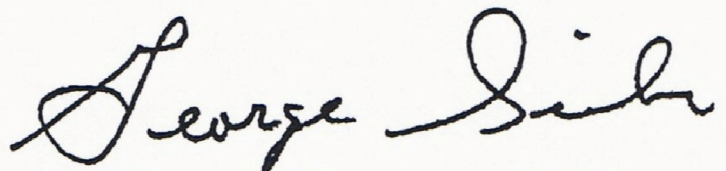

I would like to complement you on putting together an exceptional organization.

I have dealt with a lot of different companies over the years but none were as pleasurable to deal with as yours.

Not only did you select a superior product to market, you also put together a special group of people. They are the most knowledgeable, skilled, professional group I have met in a long time.

I was impressed with the way the siding is constructed with the insulation molded to the shape of the vinyl. Also the extra width makes for a smoother surface after installation. My family and I are very pleased with the improvement to our home.

Thank you from a satisfied customer,
