

To whom it may concern:

A few weeks ago Andy Jarkowski sold my husband & I the vinyl siding for my home. Andy is a very nice & likable young man. He enters your home and brightens your day. He is very polite and friendly. I have recommended Jim Olivier's home improvement business to every one. My house is beautiful, the vinyl installers did a great job! It's been in my thoughts for a very long time & thanks to Andy — it was possible for me to get it.

Thanks
